

How do you fancy a cruise?

How do you fancy a cruise holiday? 7 nights around the Mediterranean Sea that will also give the dancer in your family the chance to perform 6 times in front of audiences in the Auditorium and the main dining room. I am arranging this for 2011 so that you could make this your main family holiday.

Performers must be 9 years+

These cruises are organised with an Italian cruise company by a British dance promotions company. The ships are like floating towns with many facilities and a choice of lovely accommodation. You could have a wonderful holiday, at reduced rates for your whole family, while we rehearse and perform a selection of dance routines. Students will work alongside the professional dancers on the ship and get a real feel of what life working on a cruise ship is like. The students, and myself, will also get plenty of time to make the most of our holiday, but we will have the time of our lives entertaining an international audience on a cruise ship!!!

To find out all the details in order to base a decision, I am holding a meeting/discussion gathering at:

Medway Centre on Wednesday 10th February at 7pm.

Please come along to ask any questions and hear all the info.

Please could you let me know if you are attending. Thanks.
